Annual 47 C.F.R. § 64.2009(a) CPNI Certification

EB Docket 06-36

Annual 64.2009(a) CPNI Certification for 2008

Date filed: January 24, 2009

Name of company covered by this certification: Scott County Telephone Company

Form 499 Filer ID: 803151

Name of signatory: Jon Bridges

Title of signatory: Vice President and Directing Manager

I, Jon Bridges, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

ACCOMPANYING STATEMENT

To the best of my knowledge, Scott County Telephone Company, Inc. ("the Company") is in full compliance with the FCC rules on CPNI and its requirements for the safeguarding of such customer information. The Company's operating procedures ensure that it is in compliance with the FCC's CPNI Rules because disclosure of, or permitting access to, our customers' CPNI is not allowed without obtaining the requisite customer approval, except as required by law, or the exceptions set forth in 47 U.S.C. §222, and Subpart U of Title 47 of the Code of Federal Regulations; 47 C.F.R. §64.2001 through §64.2011. Appropriate safeguards on the disclosure of CPNI have been implemented in accordance with C.F. R. §64.2010. Currently customers of the Company do not have online access to their accounts. Also, the Company does not bill for any toll calls, so there is no CPNI related to call-detail information.

The Company has internal procedures in place to educate our employees about CPNI and the disclosure of CPNI. Employees with access to this information are aware of the FCC's rules and are prohibited from disclosing or permitting access to CPNI without the appropriate customer consent or as allowed by law and the FCC rules. In accordance with the Company's disciplinary policy, any employee that uses, discloses, or permits access to CPNI in violation of federal regulations is subject to disciplinary action, and possible termination.

Company CPNI Status: To the best of my knowledge and belief, the Company does not presently use, sell, or otherwise release CPNI for marketing or other commercial purposes. If our customers' CPNI is to be used for sales and marketing campaigns in the future, the appropriate safeguards will be implemented in accordance with 47 C.F.R. §64.2009.
